

The City of Canada Bay Heritage Society invites you to join us at our **Museum of Curiosities**

1 Bent Street, Concord
on any

**Wednesday or Saturday in the month of April
from 10:00 am to 4:00 pm.**

This event is part of Heritage Festival 2022

Tucked away amongst our regular displays will be various items from our vast collection, some going back 100 years, most of which are no longer used. Some you might recognise - some may baffle you - but all will arouse your curiosity and you will leave with a better knowledge of life in the “good old days”.

Come, visit and see how many you can recognise. If you don't know what they are, ask our talented volunteers. Learn how, when and why they were used.

Bring your grandchildren and talk to them about your memories of growing up amongst all these objects.
